Service Plans Explained

The majority of vehicle breakdowns occur when drivers miss out the essential vehicle servicing - making no provision for payments and resulting in drivers paying over-the-odds for their annual service.

Our service plans will save you the hassle – creating an easy way to budget for your car's servicing requirements, and ensuring your car never misses a vital service interval so you get maximum life out of your vehicle.

Service Plan Options

1) CarShop Fixed Price Service Plan allows you to break up the cost of servicing and MOT tests to affordable, low cost monthly fixed payments over a period of 3 years with the option to extend for a further 1 or 2 years.

What's included -

- Yearly Premier Full Service
- Yearly MOT
- 10% off any additional repair costs
- Complimentary seasonal health checks between servicing
- Wash & Vac with each service centre visit

2) Our Manufacturer's Service Plan also allows you to break the cost of servicing and MOT tests in to affordable low cost monthly fixed payments. The plan ends when your vehicle reaches the age or mileage limit (whichever comes first) in line with your vehicle manufacturer's warranty. Then simply switch to our CarShop Fixed Price Service Plan.

What's included -

- Servicing schedules based on your annual mileage & the vehicle manufacturer's recommendations
- MOT schedule depending on the vehicle age
- 10% off any additional repair costs
- Complimentary seasonal health checks between servicing
- Wash & Vac with each Service Centre visit

How does the plan work?

Once your plan is set and your next scheduled service is due, you will be able to book your service by simply calling 0333 800 1695 and the costs of your service will be paid via your Service Plan fund.

What will it cost?

If you haven't already been offered a quote, speak to your Business Specialist who will provide you with inflation-proof, low cost monthly fixed payments based on your chosen service plan option. And if you like what you see, it can be set up for you in just a couple of minutes.
